EXPERIENCE

Progressive Dental Marketing — Front End Developer/Designer

September 2019 - Current

- Often doing website changes, updates, and bug fixes on Wordpress, DNN, and HTML sites.
- Accessing HTML sites via Filezilla, and through the server as an admin/super for DNN.
- Some of my responsibilities are blog transfers, random bug fixes, edit/crop images with photoshop, adding new widgets and plugins etc.

MBS Textbook Exchange — InSite Client Developer

March 2019 - August 2019

- Working with Universities/Colleges on the design and development of their online Bookstores.
- Utilizing a proprietary CMS we built the site with HTML, CSS, Bootstrap, JavaScript, and Photoshop.
- IT support.

Self Employed — Freelance

October 2016 - February 2019

- Designed and maintained a startup eCommerce site.
- Freelance projects through online resources and word of mouth.
 - Utilized SquareSpace, WordPress, HTML, CSS, and JavaScript.

EDUCATION

Udacity - Front End Development Nanodegree
